

Declaration of Intention for Driving the Moral Organization
under the National Cultural Motto “Sufficiency, Discipline, Honesty, Voluntary Spirit in 2020 ”

I, civil servant and government officer of the Department of Disease Control have the same declaration to drive and develop our organization to be the moral authority under the national cultural motto “Sufficiency, Discipline, Honesty, Voluntary Spirit” and conform with the Master Plan of National Moral Promotion No. 1 to achieve the 20 years National Strategy as follows:

1. As Thai people, we focus on applying the morality contained within “Sufficiency, Discipline, Honesty, Voluntary Spirit” to both personal and family lives. We also focus on creating citizens who share common interest.
2. As a moral organization network, we will develop our organization to be a moral authority by seeking change from within, including creating good governing organization management systems, supporting officers in the organization to be moral in their personal and professional lives as well as supporting the organization to be a part of the moral force that drives community, society and country.
3. As a moral organization network, we will drive the morality of “Sufficiency, Discipline, Honesty, Voluntary Spirit” according to the mission of the organization with ones’ full effort and coordinate to make connections and include participation of government agencies, private sector, civil society, religious institutions and people to achieve our common goal.
