<ul style="list-style-type: none"> <li>Notified by hotel residences, the Erawan Medical Center, local universities, tour groups and U-Tapao</li> </ul>	88

### 3. Thailand Precautions

- The Institute of Urban Disease Control and Prevention (IUDC), Department of Disease Control (DDC) together with the Royal Medical Division and Phra Mongkut Hospital provided proactive SARS-CoV-2 infection screening for the royal scholarship students using the royal biosafety mobile unit. The rapid test provided for the 589 students, 12 had positive test results (3 had IgM and 9 had IgG antibodies). These 12 students were then given the PCR test and results were all negative.
- Volunteer Defence Corps, Phop Phra District, Tak province, together with the soldiers from the Commandant Division, 4th Infantry Task Force, Mae Sot district, has patrolled around risky areas around the Ban Umpium temporary shelter, Khiri Rat sub-district, Phop Phra district, where a COVID-19 case was detected. Moreover, enter-exit screening at the shelter has been strengthened.

### 4. Risk Assessment of COVID-19 Situation

COVID-19 pandemic situations around the world has continued to increase in many regions. Thailand has still implemented vigilant surveillance especially in border areas adjacent to neighboring countries with ongoing outbreaks to prevent spill over into the country. Risk communication to the public on disease preventive measures and the officers' readiness to control the outbreaks are in place.
